Your Maysville Area Chamber of Commerce and the City of Maysville are excited to partner with you, as a business owner, to help beautify your business location and your great community. Through this joint effort, we will match your exterior beautification investment up to \$1,000.00!

The Chamber/City Initiative will provide \$3000 per year in matching grant for the next year for renovation investment in our community with a goal to increase it every year. We expect great response to this initiative, so please return your application as soon as possible.

- Matching funds granted for exterior projects at your business location up to \$1,000.00. (Example Investment: Chamber \$500 and City \$500).
- 
- Chamber and City Initiative Grants are available to any Chamber member within the city limits of Maysville.
- 
- Please return your Initiative Application to Maysville City Hall by the 1st Monday of each month for consideration by the Board of Directors at their next board meeting.
- 
- Approval projects must be completed within 6 months of the Board approval, unless granted an extension of time by the Board of Directors.
- 
- Matching funds will be dispensed upon project completion for invoice.
