Date Ready For Concrete: _____

The City of Maysville will pay for concrete only, up to \$500 per applicant. Owner will be responsible for removal of existing sidewalk, hauling off old concrete, forming the new sidewalk, gravel and wire mesh for the new sidewalk. The owner will also have to pour and level the new concrete.

The concrete must match adjacent sidewalk heights if applicable.
Concrete must be ADA accessible.

The City has budgeted \$2,000 for this fiscal year, so funds will be available on first come first served basis or until funds are depleted.

I understand I will maintain the sidewalk after new concrete is poured.
